### MILLER ROAD C&D WASTE DISPOSAL SITE HOURS

Tuesday to Saturday 9:00 a.m. to 12 p.m.

Permits must be obtained from Deep River Town Office during their regular business hours. Construction and demolition waste is defined as all non-hazardous low metal content waste from construction and demolition clean up projects, consisting primarily of; wood, blocks/stone/bricks, non-metal roofing material, insulation, waste furniture (does not include mattresses and box springs), window glass, non metal siding material, concrete and small amounts of plastic and fiberglass.

For more information call the Town of Deep River at 613-584-2000.

### Make a positive impact; RECYCLE!

Please be concerned about your Baggs Road Landfill Site. It has a limited life and one easy way that you can help to extend it is to recycle everything that you can. Each cubic metre of our landfill costs us \$70. Before tossing anything in the garbage, STOP and consider whether it is recyclable and if it is do the right thing by placing it in the blue box. Keep a container for recyclables next to each garbage can in your home and at work. Follow your neighbours' example and collect your recyclable materials for Blue Box day. Bring your unwanted or worn out electronics, tires and hazardous wastes to the Baggs Road Site. We get paid for collecting these materials and this helps lower our taxes.
