The centre of camp activity is a spacious lodge with a large fireplace. Across from the Dining Hall is "The Rock" inviting all to climb and explore or just to sit down and dream. Near the river, an outdoor chapel provides a quiet place for worship and meditation. Time at the McLaren Craft Centre is one of the very popular features of the day and many craft skills can be learned there. A large field is available for sports and games. Sleeping cabins are located in wooded areas close to modern washroom facilities. Beginners and advanced swimmers alike can enjoy the large sandy beach under qualified waterfront supervision. Canoeing is a major part of the waterfront program.

*In Camp Lau-Ren's natural setting, there is an opportunity to gain a deepening awareness of others, a growing understanding of oneself and a strengthening of personal faith as we meet God in Jesus Christ.*

**Join us at our Annual Open House, Saturday, June 11, 2016, 11:00 am – 2:00 pm.  
Visit the camp and discover what we have to offer!**
