1. **BUDGET WORKSHOP**

The CAO noted that staff has met with the respective Committee Chairman and Vice Chairman and reviewed each department budget separately. The culmination of that work is what is being presented for Council's review.

The budget was reviewed line by line for each department.

Highlights of the *major* projects planned for this year are in the roads department, the repaving of several roads, the construction and demolition of the public works building in Chalk River, the completion of the LED lights missed off the inventory last year, and the purchase of the pumper tanker ordered last year.

The proposed recreation and the Water and sewer budgets were also reviewed.

The proposed budget will see the tax rate stay the same.

Council requested that staff make some changes and bring the budget forward to the Finance Committee on May 3<sup>rd</sup> for review.

2. **ADJOURNMENT**

Moved by Deputy Mayor Giardini  
Seconded by Councillor Blimkie
