

## Healthy Kids Community Challenge Lending Hub

The Town of Laurentian Hills is looking for residents input and help with a Community Equipment Lending program.

The County of Renfrew was chosen to participate in the Provincial Healthy Kids Challenge to deliver local programs and activities that will support children and youth to be more active and healthy in their communities. As part of the program the Town will receive \$10,000.00 to purchase equipment that will be made available to lend to our residents. The lending hubs will be established at the Municipal Office and the Point Alexander and Chalk River libraries.

We want your ideas to help promote the healthy living activities and to determine what equipment our residents are looking for to be part of the borrowing program.

You can participate by sending your ideas to [info@laurentianhills.ca](mailto:info@laurentianhills.ca) or by fax to 613-584-3285 or come out and bring your ideas to a Meeting scheduled for Tuesday March 8<sup>th</sup> at 6:30 p.m. in Council Chambers at the Point Alexander Municipal Hall.
