- (a) Chalk River Ball Field.

The Deep River Minor Ball Association has been using the Chalk River Ball Diamond on a regular basis. This was unknown to staff and the Committee was asked for some direction on who should be paying for the use of the field now that we have established a cost for a league using the field.

The Committee recommended that there be no fees for the use of the field if it is being used by children. The Committee also recommended that a letter of request should be received from the Town of Deep River along with a copy of the schedule prior to each minor ball season.

Staff was asked to contact the plant operators for additional information about the previous water fountain that had been at the Park. The planting of trees in the park was deferred to a future meeting when a discussion on a plan for the whole area could be brought forward.
