## There is no poop fairy

A reminder that dogs and cats are not allowed on beaches or playgrounds. Be sure to **not** let them roam freely. Your pet must be on a leash **at all times**.

Animal waste attracts rats, transmits disease and contains bacteria that can contaminate water which contribute to swim advisories and increased health risks for people using the beach. Always pick up after your pet.

## Planning on Building? When is a Permit Required

Any new building over 108 ft<sup>2</sup> (9 x 12) including garages, decks, and porches. If a building is less than 108 ft<sup>2</sup> (9 x 12) it must still meet the zoning and all setback requirements for the property. Any addition to an existing building including porches or decks. Any extensive renovations that would include structural alterations. Demolition of any building. All sewage systems. Partitioning and finishing a basement. Damp proofing or waterproofing foundation walls, including installation of drainage tile.
