

Deep Roots Nature and Nursery School is a new nursery school that is opening this October 2022. We offer high quality educational programs for children aged 18 months to age five and we are located at 19 Railway Street in Chalk River ON. We provide mindful, inclusive and nature-based programs for little learners through part day and full day programs. The programs are available year round from Monday to Friday between 9:00am - 3:00pm with an option for extended hours. We are also licensed through the Ministry of Education.
