## Chalk River Water System Users

In order to comply with provincial regulations and as part of the ongoing efforts to ensure the safety of drinking water, the municipality must test the drinking water supply for the presence of lead. The Town of Laurentian Hills is looking for Businesses and Residential Home Owners who are connected to the Chalk River Water System to participate in the testing and permit staff from the Water Treatment Plant to take water samples for lead testing.

The testing will be performed twice a year and each test will take approximately 45 minutes. Testing periods are once between June 15, 2021 to October 15, 2021 and once between March 1, 2022 to April 15, 2022. Volunteers will be given ample notice prior to any testing and will be provided of copies of the test results. If you are willing to participate and allow the Town to sample water please contact the Town office at 613-584-3114.

### Residents connected to the Chalk River Water System

It is illegal to have a sump pump directly connected to the sewer system. Municipal employees will be enforcing these regulations, along with inspection of sump pump installations for possible infractions.

By-Law No. 34-04 states: the Council of the Corporation of the Town of Laurentian Hills does enact as follows that:

1. No person or persons, corporation or other shall discharge into the sewerage of the Town of Laurentian Hills any water or other substance from a sump, sump pump, floor drain, roof leaders, drainage ditch or pond.

5. Any person found guilty of an offense against this By-Law shall, upon conviction, pay a fine of not more than \$10,000.00 nor less than \$250.00 plus costs for a first conviction and not more than \$25,000.00 on any subsequent conviction.

The full By-Law can be found on our website under: Council, By-Laws.
