Mr. Paul Kelly spoke to Council about the NRSA's request to re-route the Top A snowmobile trail through the Chalk River business park.

The committee recommended that due to safety concerns with the activities that already take place in the park that the re-routing of the trail through the park as outlined on the maps provided by the club not be approved. The Committee suggested that an alternative for the Club to consider is to cross Highway 17 and travel straight back on the east end of the park away from the activities and connect to the Algonquin trail. Travel the Algonquin trail to the Park n Ride and reverse the route out of the park in the same manner.
