Some banks require more digits than what your account number is. **Please use zero's (0) to fill the required numbers.**

Plan to Build? When is a Permit Required?

Any new building over 108 ft² (9 x 12) including garages, decks, and porches. If a building is less than 108 ft² (9 x 12) it must still meet the zoning and all setback requirements for the property. Any addition to an existing building including porches or decks. Any extensive renovations that would include structural alterations. Demolition of any building. All sewage systems. Partitioning and finishing a basement. Damp proofing or waterproofing foundation walls, including installation of drainage tile.

Before You Dig

Use the Ontario One Call online locate form to locate underground infrastructure before you dig at www.on1call.com or call: 1-800-400-2255

Residents connected to the Chalk River Water System

It is illegal to have a sump pump directly connected to the sewer system. Municipal employees will be enforcing these regulations, along with inspection of sump pump installations for possible infractions.

By-Law No. 34-04 states: the Council of the Corporation of the Town of Laurentian Hills does enact as follows that:

1. No person or persons, corporation or other shall discharge into the sewerage of the Town of Laurentian Hills any water or other substance from a sump, sump pump, floor drain, roof leaders, drainage ditch or pond.

5. Any person found guilty of an offense against this By-Law shall, upon conviction, pay a fine of not more than \$10,000.00 nor less than \$250.00 plus costs for a first conviction and not more than \$25,000.00 on any subsequent conviction.

The full By-Law can be found on our website under: Council, By-Laws.
