Proposed Comprehensive Zoning By-law

The purpose and effect of the new comprehensive Zoning By-law is to regulate the use of the land and the erection, location, and use of buildings within the entire municipality. The new comprehensive Zoning By-law consists of text and a Schedule "A" (map). A Zoning By-Law places lands within a municipality into various zones (for example, residential, commercial, industrial) and sets out provisions for development within those zones, such as permitted uses and building setbacks from property lines. These zones are delineated and labeled on a map Schedule. A Zoning By-Law also contains general provisions that apply to development in all zones. The new By-law may alter the zoning provisions currently applicable to your property, buildings or structures.

The new Comprehensive Zoning By-law will implement the 2020 County of Renfrew Official Plan and the 2024 Provincial Planning Statement.

When the new Comprehensive Zoning By-law is passed by Council and comes into effect, the current Zoning By-law No. 10-12, in effect for the Town of Laurentian Hills, will be repealed and replaced with the new Comprehensive Zoning By-law.

Additional information regarding the Zoning By-law is available for inspection at the Town of Laurentian Hills Municipal Office during regular office hours, and on the Town's website at <https://laurentianhills.ca/>.

If you wish to be notified of the decision of the Council of the Town of Laurentian Hills on the proposed Zoning By-law, you must make a written request to the Town of Laurentian Hills.

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Laurentian Hills before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
