Request For Participation

The Accessibility for Ontarians with Disabilities Act, 2005 requires municipalities to address the needs of those within their community with disabilities. The Town is seeking your assistance to help us identify barriers for persons with disabilities in buildings and facilities owned and operated by the Town. Are you facing accessibility challenges in the Town? We want to hear from you! We want your feedback so that we can improve our services and make them more accessible. Please forward your concerns to info@laurentianhills.ca or call the municipal office at 613-584-3114.

Do You Have a Fire Safety Plan Escape Route?

Get everyone involved in your plan. Make your fire escape plan together with your family members who live/spend time in your home. If possible, plan two ways out of every room in your home and two ways out of your home. Make sure windows and doors open easily. If the smoke alarm sounds, get outside and stay outside.

EASTER Garbage Changes

Regular Garbage pick-up on Friday April 7 2023 will be rescheduled to **Thursday April 6, 2023**. Regular Tuesday garbage pickup will not change.

Planning on Building? Permit Required?

Any new building over 160 ft² (10 x 16) including garages, decks, and porches requires a permit. If a building is less than 160 ft² (10 x 16) it must still meet the zoning and all setback requirements for the property. This includes any addition to an existing building including porches or deck as well as any extensive renovations that would include structural alterations or demolition of any building, all sewage systems, partitioning and finishing a basement, damp proofing or waterproofing foundation walls, including installation of drainage tile.

Chalk River Water System Users

In order to comply with provincial regulations and as part of the ongoing efforts to ensure the safety of drinking water, the municipality must test the drinking water supply for the presence of lead. The Town of Laurentian Hills is looking for Businesses and Residential Home Owners who are connected to the Chalk River Water System to participate in the testing and permit staff from the Water Treatment Plant to take water samples for lead testing. The testing will be performed twice a year and each test will take approximately 45 minutes. Testing periods are once between March 1, 2023 to April 15, 2023 and once between June 15, 2023 to October 15, 2023. Volunteers will be given ample notice prior to any testing and will be provided of copies of the test results. If you are willing to participate and allow the Town to sample water please contact the Town office at 613-584-3114.
